MISTER EGO.

I loved him in my earliest years,
He was my first, my closest friend;
For him were all my smiles and tears,
His every want I would attend.
And, when he grew to man's estate,
I think I loved him even more,
Upon his word I'd always wait,
To me he never was a bore.
And now I wouldn't lose him—no!
Not for a universe of pelf.
For, oh! I love him, love him so,
My sweet, my own, my—well, myself!

HIGH SCHOOL ALUMNI

Banquet to Be Held June 16th at M. E. Church

At a meeting of the High School Alumni Association last evening it was announced the Banquet Committee had accepted the menu offered by the Epworth League of the Third Street M. E. Church for the banquet to be given on the evening of June 16th from 8 to 11 o'clock. The banquet will take place in the Sunday-school room of the Church.

It is necessary that the League be notified several days in advance the exact number to be served. In order to do this it was decided that applications for membership and payment of dues must be in the hands of the Treasurer, Miss Nellie Greenlee, not later than Friday, June 11th, when tickets will be issued, each graduate being allowed the privilege of inviting one other person to the banquet.

The tickets to the dance which is to follow the Commencement will be issued at another time.

BOAT CLUB

Enthusiastic Meeting of Local Yachtsmen Last Evening

A meeting, hurriedly gotten up but none the less enthusiastic, was held at the Elks Home last evening by men interested in river craft, particularly of gasoline launches, and a movement was set on foot, which, with proper encouragement, will result in a great Fourth of July celebration, to take place on Monday, July 5th.

The meeting had not previously been given any publicity, but the gathering last evening resulted in an organization being formed, with thirty-one members, the following temporary officers being chosen—

Commodore—Ben B. Poyntz.
Secretary—John J. Altmeyer.
Treasurer—Charles Daly.

Committee on Solicitation, Publicity and Organization were appointed, and at a meeting to be held at the Elks Home on next Tuesday evening at 7:30 reports will be made.

It is the purpose of the Club to go to work with a will to have a big regatta here on the 5th, an all-day celebration, with fireworks at night. If the necessary funds can be raised prizes will be offered, and it is hoped racers from other Ohio river points can be induced to come and take part in the exhilarating sport.

Free Laxative Cured Legions

Realizing how difficult it is to convince the average person that one remedy is different from another, even though recommended for the same purpose, and that where one fails the other may still succeed, the dispensers of Dr. Caldwell's Syrup Pepsin, the great herb laxative compound, have for several years sent free trial bottles of the remedy to any person who would send name and address.

Through this offer many hundred thousand samples have been distributed. Dr. Caldwell's Syrup Pepsin has never been recommended for anything but such conditions as constipation, liver trouble, biliousness, sour stomach, indigestion, flatulency, dyspepsia, sick headache, heartburn and similar symptoms of stomach, liver and bowel disease. That it will cure such troubles is attested by the experience of Mrs. Lydia Dixon, of Mingo, Ky. Mrs. N. Cunningham, of Talent, Ore. S. R. Tucker, of Hattiesburg, Miss., and a host of others. They originally sent for the free trial bottle, and then, being convinced that the remedy was helping them, they bought the regular 50-cent or \$1 size bottle of their druggist, and in a short while were cured.

While Dr. Caldwell's Syrup Pepsin is sold by druggists with the guarantee that it will do as claimed or money will be refunded, yet any reader suffering from a stomach, liver or bowel complaint is invited to write to Dr. Caldwell at the address below for a free test bottle, which will be cheerfully sent. We doubt if there is a laxative in America that has so many families using it in the home as Dr. Caldwell's Syrup Pepsin. Owing to its special ingredients it has proven a great life-saver of children, women and old folks. It is pleasant to take and never gripes.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

INDUSTRIAL BOOM

Rumors of Extensive Tobacco Stemmeries to Be Erected at Maysville

The Seven-Acre City to Become the Entrepot For the Handling of Burley Tobacco

For the past week the atmosphere has been pregnant with rumors forecasting great and coming events in the real estate and building line of such large proportions as to stagger the imagination of the most enthusiastic optimist.

There is no doubt in the fact that the historic old town has awakened from its morbid drowsiness and taken on a new and vigorous lease of life and business activity.

It is stale news with the inner circle, but not generally known to the common people, that prospects are being formed and crystallized by home and foreign capitalists, whereby the East End is to become a veritable bee hive of industry.

It is currently rumored, and time will verify the statement, that we are to have three immense new tobacco warehouses for the handling of loose leaf. It is stated that a large tract of the Watkins land, East of the L. and N. Railroad, has been purchased and buildings will be erected thereon for the re-handling, re-drying and stemming of tobacco.

It is also stated that the matter of building a switch from the main line of the L. and N. to the plants is under advisement with the management of the railroad, and will be, no doubt, consummated.

LOOSE LEAF TOBACCO WAREHOUSE.

Messrs. H. D. Ellis and M. A. Shinkle of Higginsport, O., and William Groppenbacher of Vanceburg, incorporators of the Maysville Loose Leaf Tobacco Warehouse, were in the city yesterday attending the opening of bids for the construction of their building. The firm of Lane & Easton, this city, were the successful bidders. The work will be begun at once and pushed forward to a rapid completion.

The Warehouse will be located on the corner of Union street and Forest avenue, South of the American Tobacco Company's plant. The building is to be one story high, 71 feet and 2 inches wide and 291 feet and 2 inches long. It is to be built of brick, with concrete floorings, and when completed will cost something over \$20,000.

POSSIBLE EXTENSION OF CAR LINE.

The above industries when in operation will employ several hundred people, which will tend to populate Forest avenue in the vicinity of the plants, and of necessity will require the erection of more cottages in order to house the influx of new comers.

It has also been intimated that the Street Railway Company is looking forward to the possibility of extending the car line over Forest avenue.

With all these good things in sight Maysville is bound to grow and prosper, and everybody ought to be happy over the bright future before us.

Mr. William Groppenbacher has bought Judge T. R. Phister's lot in the North side of Second street, Sixth Ward. He is contemplating building a handsome residence thereon for his own occupancy.

SOCIETY

Mr. and Mrs. John Graham Lee entertained at cards Monday evening in honor of Mr. John A. Coburn and bride.

Miss Eda Biggers of Maysville and Miss Eleanor Grant of Fort Thomas took part in the Commencement celebrations of Bristol School, their alma mater. These young ladies were among the guests of Miss Bessie Fahstok, who entertained at luncheon in honor of the members of her class of 1908. The decorations were lavender and white, the colors of the senior class of 1908.—Daisy Fitzhugh Ayers' Sunday Washington Letter in Courier-Journal.

A MARVEL OF BEAUTY

And Brilliance is the Lighting System in the New St. Patrick's Catholic Church

Every Catholic and non-Catholic in our city should feel a civic pride in the beautiful new Saint Patrick's Church now nearing completion in Third street. It has been Father Jones' study and purpose to erect a structure that will endure for ages and to have a building dedicated to "The Father and the Son," and a monument to the Maysville Catholic Parish.

The main auditorium, which is now completed and occupied, and only awaits the erection of the handsome sanctuary to the South to entirely finish the edifice, had the magnificent electric light system turned on last night at 8 o'clock for the first time. Father Jones and electrician Edward Beerman of Latonia were highly pleased with the brilliant, but subdued, effect of the 190 lights which adorn the interior of the huge building. The lights are arranged in clusters pendant from the arched ceiling, one huge cluster fronting the altar, and two rows of pedestal lights running the full length of the auditorium, with clusters in the lobby and the choir loft above at the Northern front. There are also two ornamental pedestal lights in front of the building, and last night when the button was touched and the flood of mellow radiance illuminated the entire edifice, the effect was dazzling and very pleasing, for there is nothing to equal it in Maysville. Father Jones is justly pleased with the lighting system and with the beautiful and high class style of the work produced by the young electricians, Messrs. Edward and Harry Beerman of Latonia, Ky., who manufactured every bit of it themselves in their modest little shop in their home town. The designs of the lighting fixtures are as handsome as one would wish to see, and every button and light was under complete control of the operator at the switchboard.

Father Jones has indeed set an example in erecting the new Saint Patrick's Church, Maysville, that, if patterned after, will change the architectural features of our growing city.

The Eagles will entertain with a euchre party tonight at their Home.

Weber's Orchestra passed through here yesterday morning to furnish music for the Commencement at Flemingsburg.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.

Home-Grown Strawberries

New coming. My supplies will come direct from the growers by express and will be on sale here on same days they are picked. Will be sold WHOLESALE and RETAIL in full-size cups just as they come from the patches and will be as heretofore—the best that come to this market. The long-protracted drouth last year killed out many of the patches and the crop will be short, and my advice to those who want berries is to not put off securing what they may want. I am expecting some very fine berries, so place your orders with me and I will guarantee satisfaction.

My supplies of vegetables are now principally HOME GROWN and I am in position to at all times furnish the best and the freshest. Flour is still booming. This week I am going to offer the Famous

NEAR-PRESIDENT BRADLEY

Characteristic Note He Sent to Vice-President Sherman

For the first time since he became a Senator, William O. Bradley of Kentucky presided over the deliberations of that body Wednesday, and it is not likely he will forget the occasion very soon.

As detailed by The Cincinnati Enquirer, the Senator naturally felt complimented when the Vice-President at 12:30 asked him to take his chair during the lunch hour, and Mr. Sherman felt he had made no mistake when he returned from the cafe and noticed that the Senator was discharging his duties as President pro tem in a manner that indicated he had always occupied the place. So instead of relieving the Senator he went to his office and commenced to look over his mail.

The Vice-President became busy with his correspondence and the hours slipped away rapidly, while the Senator from Kentucky waited patiently for his return.

Finally at 2:30, when Bradley became convinced that if he did not resort to drastic methods he would be compelled to do without his lunch, he sent to the Vice-President the following note:

"Wellington never more ardently wished for night or for Blucher than I do for you at this present moment. Unless you come soon there will be some large holes gnawed in the elegant coverings of your desk, for I am famishing."

This brought the Vice-President forthwith.

CURED TO STAY CURED.

How a Maysville Citizen Found Complete Freedom From Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured. Doan's Kidney Pills make lasting cures. Maysville people testify.

Here's one case of it: M. C. Chisholm, 317 East Second street, Maysville, Ky., says:

"The cure which Doan's Kidney Pills effected in my case some years ago has been permanent, and the testimonial I gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had only used them a short time when I noticed a marked improvement. They soon cured me, and I have learned of several instances where they have been used with good results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
